

Our tournament is a fundraiser for Denver Dachshund Rescue & Transport, a Colorado 501c3. They will have a booth and adoptable dogs at the tournament on Saturday and Sunday. We are hoping to draw in the public. Please spread the word!

MHV is hosting a supply drive for DDRT, if you have any gently used toys, collars, leashes, harnesses etc along with paper towels, blankets, Odoban, mop heads, they would greatly appreciate it. Since they are a 501(c)3 your donations are tax deductible!

MHV is also holding a silent auction, with all the money going towards DDRT. The silent auction will be held on Saturday. Items will be on display with a minimum bid and can be bid on throughout the day, with the highest bidder at the end of the day the winner!

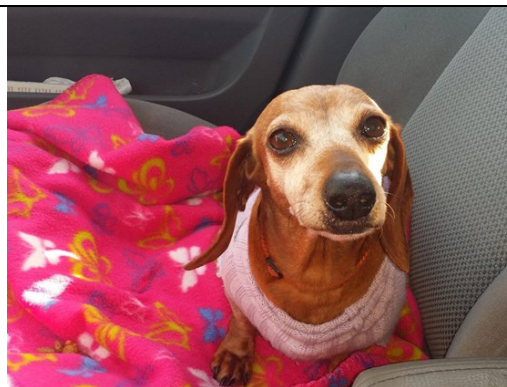

Here are a few of the items that have already been donated for the auction:

- Mary Martin is donating a pen/pencil sketch of your pet. Value approx \$95. 9"x12", unframed. Visit <https://www.facebook.com/TrinketsOfLove> to see photos of her gorgeous work!
- Jen & Anthony of Mile High Engraving / Neisa's Treasures (custom engraving and vinyl art) are donating some crafty dog-themed items including breed silhouette chalkboards! Visit <https://www.facebook.com/NeisasTreasures> or [www.NeisasTreasures.com](http://www.NeisasTreasures.com) for some of their work.
- And more!

DDRT will also have some items on sale as well including t-shirts and calendars. And of course, monetary donations are always welcome!

George & Earl are in need of dental work, costing approx \$300 per dog. Both are 9 year old brothers and have been together all their lives. They lost their family a while back when their owner passed away. Family could not keep them so they came to us. They are very sweet boys who deserve a chance to live healthy and pain free!

Lulu is an absolute doll but in addition to finding herself in a shelter in Alabama, her luck again went the wrong way when she tested high positive for heartworms. She is such a tiny girl who for her 8 years of life doesn't seem to have had many breaks but yet she is still so sweet and loving. DDRT is trying to raise \$800 to help fund her treatment.

As of Jan 26, DDRT has raised \$410 of the \$800 for Lulu and they are in need of \$600 to fund George & Earl's dental work. Would \$1000 to cover all of these expenses be too high of a goal to reach?
